Re: Pictures for our fifth grade web site

We have a web site for our class, and I would like to be able to include some pictures of the kids on the site. Please sign the permission slip below to allow me to include pictures of your child on our classroom web site. For safety reasons, I will not include names with the pictures, so your child will not be identifiable by name.

Our web site address is: www.dbradley.weebly.com. Please check it out anytime. It's a great way to keep up on what's going on in our classroom. You will also find links to parent resources.

Thanks,
Debbie Bradley
